## PRESIDENT'S LETTER

Dear Permian Basin Chapter:

We are off to a great start for our Chapter Year of 2021-2022. We had one in-person meeting in August where we installed our new officers and honored our outgoing officers. We honored Judy Williams in a special way as she retired as our Treasurer of many years along with other officer positions that she has held over the years. Please see the pictures on our Website.

There are a number of us going (either in person or virtually) to the Safety 2021 Conference in September. For that reason, we are not having a September meeting. We will resume our meetings in October with a blended meeting (in-person for those who want to attend and online for those who are not able to make the in-person meeting). We plan to have the blended format for a long time since there are a number of members who cannot make it to Midland for a meeting.

There is a Leadership Conference October 21-22 that is free to attend and online. I would encourage any of you who can to attend as much of this meeting as possible. It will be good for both our chapter and for you in your

career. There will be speakers at the conference who are covering a variety of subjects related to Leadership. The link is below:

<https://www.assp.org/education/conferences/leadership-conference>

Look for an announcement on the next WISE meeting and for information on how we can help the student sections at Odessa and Midland Colleges.

Thanks again for being active members of our Chapter.

Lynn Richardson

President, Permian Basin Chapter

American Society of Safety Professionals

## **MEMBERSHIP UPDATES**

### **New Members**

- John Anderson
- Joe Holloway
- Georgette Reeves

### **Long Service Recognition of Chapter Members**

- Randy McClay, 25 years

<https://attendee.gotowebinar.com/register/8156471242366640395>

Wednesday, September 29th

### **October Chapter Meeting**

Wednesday, October 15th from 12:00 AM – 1:00 PM

## CAREER OPPORTUNITIES

We are always looking to network and find out if there are job openings. The jobs must be in an Environment, Health and Safety function. For example: Fleet Safety Manager, Director of Environmental, Health and Safety Advisor, Risk Manager, etc.

We will post the jobs to our website at [permianbasin.assp.org](http://permianbasin.assp.org). This is done currently at no charge, but the chapter is always accepting donations to help establish our scholarship fund. Your contribution is appreciated.

Please e-mail the job information to [updates@permianbasin.asse.org](mailto:updates@permianbasin.asse.org).
