ASSP Permian Basin Chapter Safety Ally Award

Recognizes an individual outside the traditional safety profession who demonstrates exceptional commitment to workplace safety through leadership, advocacy, engagement, and personal action. The award honors someone who actively supports safety professionals, strengthens the safety culture within their organization or industry, and demonstrates that safety leadership belongs to everyone.

Suggested nomination criteria

- **Safety Advocacy:** Actively promotes safe work practices despite not holding a dedicated safety position.
- **Leadership & Influence:** Positively influences coworkers, contractors, or leadership to make safer decisions.
- **Hazard Recognition & Action:** Identifies concerns and takes meaningful action to reduce risk.
- **Employee Engagement:** Encourages people to speak up, ask questions, stop work, and participate in safety initiatives.
- **Partnership with Safety Professionals:** Works collaboratively with HSE/EHS professionals to improve workplace safety.
- **Demonstrated Impact:** Provides specific examples showing how the nominee's actions made the workplace safer.

Please have your nominations in by **December 18, 2026,** to president@permianbasin.assp.org. The SPY award recipient will be notified on January 7, 2027, and recognized at the January ASSP chapter meeting.
